Home Energy Solutions to Introduce Turfcats at Kite Day

Austin, TX – Friends and families are invited to Zilker Park to attend Kite Day Sunday where Home Energy Solutions and BMC West will introduce the public to Austin's newest professional sports team: the Austin Turfcats of the Southern Indoor Football League.

More than 5,000 special inaugural postcards will be handed out by the Travis County Sherriff's Department.

"We are very excited to be a part of bringing the Turfcats to Austin," said Steve Rosenbaum of BMC West. "Kite Day is always a lot of fun, and we look forward to telling everybody about the Turfcats. Make sure to come by the Sherriff's booth. We'll have Turfcats postcards and other neat giveaways!"

Opening day for the Turfcats is April 18 versus the Acadiana Mudbugs. Affordable sponsorship opportunities are still available to local businesses and are a great way to associate your company with a professional sports team.

Great locations are still available for the 2009 season! Act now to reserve the best seats. Call a Season Sales Representative today at 866-969-8228 (TCAT) to reserve your seats today. The Austin Turfcats are committed to being a premier team in the Southern Indoor Football League and being involved in the community for which we serve.

For more information or get photos for media outlets or to get your 2009 Austin Turfcats season tickets, contact the Turfcats office at (866) 969-8228 (TCAT) or by electronic mail at roswalt@turfcats.com
